We have completed our review and would like to congratulate Franco Compania Naviera S.A. on the approval of the VESSELS LISTED BELOW for enrollment into our QUALSHIP21 program. REA (9497165)

In recognition of your outstanding commitment, the U.S. Coast Guard is pleased to provide a QUALSHIP 21 certificate for each of your qualified vessels.

To highlight, less than 20% of all foreign-flagged vessels that operate in the United States meet the strict eligibility requirements of this program; therefore, I applaud the efforts of your organization and the master and crew of the QUALSHIP 21 designated vessels for consistently maintaining an exceptional commitment to quality.

Should you have any further question, please do not hesitate to contact our QUALSHIP 21 Administrator at (202) 372-1587 or PortStateControl@uscg.mil.

Sincerely,
